2023 Holiday Application Now Available Online!!

As you likely recall, the Service Center offers an online Holiday application, which continues to be a HUGE success with 91% of all applications being submitted electronically! We hope to increase utilization of the online application this year once again. To ensure accurate and timely payment you may **quickly complete** your Holiday application by visiting the Service Center Website, www.svcctr.org!

If you have previously utilized the Service Center Website, welcome back! You'll log in using the custom username and password you previously created, then access the Holiday application as indicated below.

If you have not previously utilized the website OR have forgotten your username and/or password, click on [Forgot Your Password](#) and complete the required information to establish or reset your login credentials. Your personal 5-digit MEMBER ID will be required to complete the login process.

*** Look for the Holiday Application button on the Left-Hand Side of the Screen ***

Direct Deposit of Benefit Payments - If you currently receive benefit payments via Direct Deposit **and** have changed banking information, please call the Service Center. If you are not currently utilizing Direct Deposit and would like to, please request an authorization form from the Service Center.

What if I prefer to fill out a paper application? No problem, please call the Service Center (314/752-2330) or toll free (877/281-2430) and we'll gladly mail you an application and return envelope. The Trustees, however, encourage you to consider applying online. Utilizing the online application will certainly expedite the application process and reduce plan costs, which is a benefit to everyone!

We thank you for your continued support, as we continue to move towards more electronic means of Fund Administration. Should you have any questions regarding this letter or if we may be of service, please call the office.

Sincerely,
Board of Trustees
